[1] An 'actual' conflict of interests is where there is a direct conflict between a member's duties and responsibilities and their private interests or other duties.
[2] A 'potential' conflict of interests is where a panel member has a private interest or other duty that could conflict with their duties as a panel member in the future.
[3] A 'reasonably perceived' conflict of interests is where a person could reasonably perceive that a panel member's private interests or other duties are likely to improperly influence the performance of their duties as a panel member, whether or not this is in fact the case.
