- Clr Sally Betts
- Clr Tony Kay
- Clr Bill Mouroukas
- Clr Ingrid Strewe

Moved: Eva Varga Seconded: Julia Attard

**Minutes accepted:**

**Moved:** Eva Varga **Seconded:** James Szczepanski

**CARRIED**

**DA REPORT:**

Da 203/2014-A (Mirvac Development) – The DA refers to the developer not restoring Scarba House and be issued with occupancy certificate.

**MOTION:** That the Penkivil precinct requests council reject the aforementioned on the grounds that the developer be made to comply with the Waverley Council Notice of Determination of a development application (Mirvac Projects – 30 Wellington St N Bondi and 18-22 Ocean St Bondi) Attachment A DA-203/2014 Section 9 "Works to Scarba House"

**Moved:**Belinda Thompson **Seconded:** Eva Varga

**CARRIED UNANIMOUSLY**

**TRAFFIC REPORT:**

Extreme dissatisfaction was expressed at the length of time it takes for traffic lights around the area to change (causing traffic congestion) and the length of time given by the signals to allow pedestrians to cross (not long enough) this poses a high safety risk for the community many of whom are aging. The examples used were Ocean St (Bondi Rd) and Watson St (Bondi Rd).

**MOTION:** The Penkivil Precinct requests the Waverley Traffic Committee carry out an investigation into the timing of traffic lights in the municipality sighting the examples above and if deemed appropriate make submissions to the RMS to rectify the issue.

**Moved:** Julia Attard **Seconded:** Eva Varga

**CARRIED UNANIMOUSLY**

The ramp at the crossing on Watson st/Bondi Rd, between the Chicken shop and the Fruit shop is angled into flowing traffic making it hazardous to less than mobile community members to cross over Wellington st as they run the risk of being hit by oncoming traffic on Bondi Rd.

**Motion:** The Penkivil Precinct requests that council remove the existing ramp and install two new ramps one facing where the fruit shop is currently and the other facing Bondi Rd.

**Mover:** Eva Varga **Seconded:** Julia Attard

**CARRIED**

**General Business:**

It was noted that on Thursday 15 OCTOBER that road work would be occurring with new concrete being poured.

Meeting closed: 8.12pm
