CONDITIONS OF ISSUE

A Residential Preferential Parking Scheme operates in parts of Bondi Junction, Bondi Beach, Bronte, Charing Cross and Queens Park. In order to be eligible for a permit you must be a resident within one of these areas. Information is available from Council's Customer Service Centre.

We cannot issue a Residential Parking Permit to a non-resident even if they operate a business in the Waverley area or are a Waverley Council ratepayer.

A maximum of three permits may be issued to any residence. The maximum number of permits is reduced by the number of off-street parking spaces available. See chart below for details:

Number of off-street spaces available	Number of vehicles at residence	Number of permits available
0	1	1
0	2	2
0	3 or more	3
1	1	0
1	2	1
1	3 or more	2
2	1	0
2	2	0
2	3 or more	1
3 or more	Not eligible	0

Permits will only be issued to registered motor vehicles less than four and a half tonnes GVM. Valid vehicle registration papers must be presented at time of permit application. Permits are also available for light registered trailers (eg box, caravan and boat trailers)

Permits will not be issued where the applicant has rendered available off-street parking unavailable through change of use or granting usage to a third party. Residents of buildings constructed under development approval granted after 30 June 2002 are not eligible for parking permits.

Fees are correct until 30 June 2012. Fees are subject to change after this date.

Current Hybrid vehicles include: *Toyota Prius, Honda Civic Hybrid, and Lexus 400h or 450h.*
For more information on hybrid vehicles please visit www.hybridcars.com.

PRIVACY: The personal information supplied on this form is required in order to provide the service requested. It will be used by Council staff and stored in our record system for only as long as necessary. During this time it can be accessed and amended by you. We will only give your information to a third party with your consent or if we are required to do so by legislation.

CONDITIONS OF USE

A permit entitles the holder to unrestricted parking only where signs state "Permit Holders Excepted" together with the area number to which your permit applies. Aside from this sole exemption, permits do not provide any right to park a vehicle contrary to the Australian Road Rules (e.g parking in Disabled Parking areas or without payment in commercial paid parking areas).

The issue of a permit does not guarantee availability of a parking space to the holder.

Permits must be displayed on the passenger side of the vehicle as near as practicable to the registration label and in such a manner as to be readily visible from outside the vehicle. If displaying the permit on the windscreen, ensure the permit is displayed away from the tinted area.

Permits are issued for the duration of the vehicle's registration, to a maximum of 12 months. It is the responsibility of the resident to renew the permit annually. Reminders will not be issued.

A permit may only be used on the nominated vehicle. Permits are not transferable.

In the event of relocation to another residence, the disposal/sale of the nominated vehicle, or off-street parking at the residence becoming available the permit must be returned to Waverley Council immediately.

The permit may be revoked by members of the Police Service or by an Authorised Council Officer should there be any breach of these conditions. Waverley Council may withdraw permits at its discretion.

Council may vary conditions of issue and the use of permits.

No fee is refundable once a permit is issued.

Any changes to an existing permit will incur a fee of \$37.50.

The following constitute an offence in a permit parking space or area:

- parking without a permit for longer than the period (time limit) shown on the signs
- the fraudulent use of permits
- use of permits not applicable to the area
- use of defaced or incorrectly "scratched" or wrongly displayed permits which cannot be read from outside the vehicle by an authorised officer
- use of an expired permit
- use of a permit not applicable to the vehicle or address.

Making a false or misleading statement within this application is an offence.
