Council is currently reviewing traffic and parking signs throughout the local government area.

As a first step, all new no stopping signs requested are implemented utilising kerbside yellow lines. The next stage will be to implement a program of replacing no stopping signs with kerbside yellow lines.

This change will de-clutter Waverley, help our streets look better and will also reduce Council's maintenance costs.

Penalties apply:

Under Australia Road Rules, a driver must not stop on a length or road that has a no stopping sign or a continuous yellow line marking.

Penalties are \$311 and two demerit points in a school zone and \$242 in a standard no stopping zone.
