Public Wi-Fi trial at Bondi Beach

Waverley Council is currently trialling a new public wi-fi service at Bondi Beach called Bondi Free WiFi. Following the trial, Council plans to roll out the wi-fi across other areas in Waverley, such as Tamarama and Bronte beaches and Oxford Street Mall.

During this trial, we're wanting to hear your thoughts on the ease of use, quality of service, any improvements and general feedback. This information will then be used to ensure we provide the best service possible.

Please head to haveyoursaywaverley.com.au/freewifi to access the survey.
