Waverley Community Strategic Plan

Shape the future of Waverley!

Following each Council election, it's our responsibility to review our Community Strategic Plan. This plan outlines the community's vision - your vision for us - and what our priorities over the next 11 years will be.

On 13 February we will be holding a Community Summit to discuss your ideas and expectations for Council on a range of topics.

Please go to haveyoursaywaverley.com.au to register for the summit, and for more ways to get involved and to have your say.
