EXTRAORDINARY PRECINCT MEETING TO DISCUSS SEWAGE OUTFALLS

- Sydney Water is committed to closing the sewage outfalls in Eastern Ave Reserve, Diamond Bay and Christianson Park
- Sydney Water has narrowed the possible options to 3 solutions
- 1 of the 3 solutions requires a pumping station with a vent shaft in **Dudley Page Reserve** on **Portland Street**, boring under Military Road to connect a new sewage pipe from the 3 outfalls to the Sewage Plant in North Bondi & multiple vent shafts on Military Road (**vent shafts can emit foul odours**)
- The Military Road option targeting Dover Heights has been rejected by the community in both 1998 and 2002
- Dover Heights residents need to proactively show Sydney Water that we are united in opposition to the Military Road Solution
