of the month from 9am-12noon

Join like-minded locals and help make a positive difference to one of our special green spaces. You'll learn about native plants and wildlife, and enjoy the well-being benefits from time spent in nature.

Bushcare volunteers play a vital role in caring for our coastal native bushland. Come regularly or whenever it suits. No experience necessary and supervised children are welcome. Tools, gloves and morning tea are provided. Based on the coastal northern end of Bondi beach at Dover Heights, this is a spectacular view not to be missed, a great way to be outdoors and make new friends.
