WORKS AT WAVERLEY CEMETERY'S LANDSLIP AND COASTAL WALK

Works to restore Waverley Cemetery's landslip and coastal walk which were damaged in the June 2016 wild storm, commenced on 18 September and will last for approximately 9-12 months.

This work will address safety issues, reopen the coastal walk and secure the landslip from further slippage. While this work occurs, no vehicles can enter the cemetery. The cemetery can be accessed by foot only. The footprint of the site will continue to be fenced off and a number of traffic and safety measures will be in place.

If you would like more information on this project, please visit waverley.nsw.gov.au.
