**The swell is growing for Bondi Beach to go  
#plasticbagfree2016**

In the time since the campaign started more than 60 businesses have signed up to be plastic-bag free. Of course, a number of businesses were already leading the way. The most significant transition was the 45 stalls at Bondi Farmers Markets. Notably, in the last year more than 620 community members have been involved in awareness raising activities reaching more than 3000 followers.
