

COLOUR CODE FOR PLANS

When plans are submitted for a development application, Council requires the changes to be clearly shown on the plans.

Council uses a standard set of colours so that no matter who deals with an application, they have an understanding of the works without referring to a legend.

Council requires four (4) copies of plans to be submitted with any application, with at least two (2) coloured copies, in accordance with the following list of the materials and the relevant colour.

MATERIAL	COLOUR ON PLANS
BRICK	RED
TIMBER	BROWN
STEEL	GREY
GLASS	LIGHT BLUE
TILES	PURPLE
DEMOLITION	YELLOW
ALUMINIUM	DARK BLUE
CONCRETE	GREEN
