Blake Street Neighbourhood Centre Upgrade Information Day

We are planning streetscape works at the intersection of **Blake Street** and **Military Road** to enhance the safety and amenity of this vibrant neighbourhood centre.

These works are in line with Council's strategic objectives for the area, as identified in the Local Village Centres Public Domain Improvement Plan. The works will also improve a number of site issues including storm-water management and pedestrian safety.

Come along to the corner of **Blake Street** and **Military Road** on **Tuesday 20 September**, between **8am and 10am**, to see the concept plans and share your thoughts.
