What are Council’s plans?

- Upgrade the footpaths along the eastern side of Old South Head Road from just north of Beaumont Street to Onslow Street (commercial sections only), with diagonal paving to match the western side of the street.
- Improve the streetscape by planting new trees.
- Increase pedestrian access and safety along Old South Head Road.

Proposed works will involve:

- Upgrade of footpath on eastern side of Old South Head Road from just north of Beaumont Street to 503 Old South Head Road and from Liverpool Street to Onslow Street.
- New kerb ramps throughout the upgraded sections.
- Planting two new mature trees in the upgraded sections.
- Replace three existing trees in poor condition with new mature trees.
- Install new rubbish bin in front of 505-509 Old South Head Road.
- Retain existing Telstra phone booth.
- Replace bus seat at the corner of Onslow Street and Old South Head Road.
- Extend footpath paving to the kerb in front of 503 Old South Head (removing nature strip).
- Install accessible water bubbler and wayfinding signage in front of 491–489 Old South Head Road.

Construction of the improvements is expected to commence in June 2013 and be completed by September 2013.
