If you are one of the lucky people tasked with organising your company's **Corporate Marquee City2Surf Catering**, then we are here for YOU!

And best of all, when the event is a success... you get all the credit from your managers and co-workers.

Flavours Catering + Events has many years experience with City2Surf Catering.

This year we have been selected to be on the panel of approved suppliers of City2Surf Catering to the corporate marquee holders.

Organising your City2Surf Catering can be an overwhelming task, however we are here to help you.

Why not use our City2Surf Catering experience to ensure you have a successful event?

The benefits of using Flavours Catering + Events for your City2Surf Event doesn't end at our experience. You will have piece of mind knowing that you are dealing direct with your catering company.

All of the instructions you give your event manager leading up to the event will be executed by your event manager on the day.

Why would you trust your important City2Surf Event with someone who will not be onsite to execute your event the way that you have planned it?

We can provide you with all of your **City2Surf** Catering requirements:

- Food
- Beverages
- Equipment hire
- Staff hire
- Theming

All you need to do is turn up!
