5.1		<p><b>Business Arising that was additionally discussed at meeting</b></p>
	1.	<p><b>Mitchell St Vibration</b> Brian advised the Chairman, that initial work by Contractors had been completed &amp; Council will now finish the restoration. The Contractor has pumped material under the concrete blocks to stabilize them &amp; sealed all the joins with a resin. The next step is to grind the road service back so the concrete plates are the same level.</p>
	2.	<p><b>REQUEST FOR A TRAFFIC ROUND-A-BOUT &amp; PREDESTRIAN CROSSING AT THE INTERSECTION OF BLAIR &amp; WAIORA STs</b> Mary has advised (27/4) Council has assessed this intersection in the past. A roundabout was found not to be feasible. Nevertheless, Council officers commenced a new review early this year. We are only in the preliminary phase. Detailed design and any resultant modifications to the intersection are currently unfunded.</p>

	3.	<b>GOULD ST TRAFFIC PROBLEM AT BLAIR ST</b> Mary has advised (27/4) Council officers are unsure there is a problem here. There is 15 metres of No Stopping signposted on Blair Street east of Gould Street. This is more than the standard 10 metres. Sight lines should be good. The Service Manager, Traffic and Transport has put this site on the list of outstanding site visits, to investigate the issue further.

	b	<b>NB</b> this generated a lot of debate, all of which was positive.

	d	

		No developments.
9.		<b>PRECINCT MEETINGS – ON ZOOM OR MAKE THEM HYBRID MEETINGS</b>
a		This was another matter that generated a lot of discussion, both for Zoom meetings & why some members will only attend live meetings. Hybrid meetings seem to covers both sides. It is noted currently Council's Council chamber is the only area.
b		<b>Resolved</b> we ask Council to invest in the technology that will enable Precincts to hold Hybrid meetings.
c		Council is looking at setting up a room, with Zoom facilities, however, this would not assist us, unless we used their room.
11.		<b>REQUEST FOR A TRAFFIC ROUND-A-ABOUT &amp; PREDESTRIAN CROSSING AT THE INTERSECTION OF BLAIR &amp; WAIROA STs</b>
a		A number of new & regular members all spoke of the dangers of this area, especially to school children & mothers, who are required to use the area regularly. It is a regular topic at Bondi Beach Public School.

a		Although it was felt this was important, it was felt it was not as important as 7.3 & should follow it & not precede it.

c		This was discussed & it was suggested we needed to provide an overall plan.
13.		<b>BLAIR STREET CROSSING</b>
a		The question of a safe crossing across Blair Street from North Bondi was raised. It was suggested a crossing from anywhere between Gould and Wairoa would be ideal. it was noted many, many children and families cross this road several times a day to go to school at Bondi Beach Public School or the beach. There is no safe crossing between Mitchell and Military Road - a distance of over 700m. Members spoke of having witnessed many near accidents happen and one in particular has been writing to the Council for years about this matter.
b		<b>Resolved</b> we ask Council, to review Blair St, between Gould and Wairoa, with the view of taking to the Traffic Committee a proposal for the installation of zebra crossing, to minimize the danger for children and families who cross the street on a regular basis.
c		This was discussed & it was suggested we needed to provide an overall plan.
14.		<b>RAY O'KEEFE RESERVE &amp; POTHOLE</b>
a		It was raised that a large pothole needs to be repaired.
b		<b>Resolved</b> we ask Council, to review & take appropriate action.
c		No developments.
15.		<b>RAY O'KEEFE RESERVE &amp; STEPS TO BOATSHED</b>
a		It was reported that the twelve steps are very dangerous without a rail & soil erosion around them.
b		<b>Resolved</b> we that we ask Council to restore the stairs including a suitable rail.
c		No developments.

<p>16.</p> <p>a</p> <p>b</p> <p>c</p>	<p><b>138 HASTINGS PDE &amp; PORTA-LOOS ON THE DRIVEWAY</b></p> <p>It was raised that having them within the streetscape was not appropriate &amp; could be a health problem.</p> <p><b>Resolved</b> we that we ask Council to review &amp; take appropriate action.</p> <p>No developments.</p> 
<p>17.</p> <p>a</p> <p>b</p> <p>c</p>	<p><b>138 - 148 HASTINGS PDE &amp; BLOCKAGE OF ACCESS TO THE FOOTPATH</b></p> <p>It was raised that this is a dangerous situation for pedestrians.</p> <p><b>Resolved</b> we that we ask Council to review &amp; take appropriate action.</p> <p>No developments.</p> 
<p>18.</p> <p>a</p> <p>b</p> <p>c</p>	<p><b>RAY O'KEEFE RESERVE CLEANLINESS</b></p> <p>A number of residents raised the problem of the park being left in a filthy state at the end of each weekend.</p> <p><b>Resolved</b> we that we ask Council to review &amp; take appropriate action to keep this iconic area in a pristine state.</p> <p>No developments.</p>
<p>19.</p> <p>a</p> <p>b</p> <p>c</p>	<p><b>GOULD ST TRAFFIC PROBLEM AT BLAIR ST</b></p> <p>It was advised when travelling along Gould St, &amp; approaching Blair St it becomes a blind spot &amp; you cannot see to your right.</p> <p><b>Resolved</b> we that we ask Council to review &amp; take appropriate action to make the intersection safe.</p>

30	a	<b>VOLUNTEERS</b> The Centre for Volunteering (17/3) advised nominations are open. – Tabled.
31	a b c	<b>MEET THE CANDIDATES (29/3)</b> After representations from Mary, arranged for Bondi BSLSC to host, after speaking to their President Jackson & Kath in the Office. Meeting is in their Blue Room from 7 pm on the 2 <sup>nd</sup> May.
32	a b c	<b>MY LOCAL PRECINCT – SHORT FILM LINK (30/3)</b> I participated in & unfortunately was unable to participate in its first showing They sent me the following link <a href="https://youtu.be/EfodOb6wwa0">https://youtu.be/EfodOb6wwa0</a> Juju has put on Facebook.
33	a b c	<b>COMPLAINTS AGAINST COUNCIL</b> Sally Betts responded to a Facebook question (12/4). She advised every Council has a Compliance Department. First it is the private certifier who is responsible. If you get no response try Councils compliance team.
34	a b c	<b>POTHOLE APP</b> William F provided the following sent to Gabrielle Upton & cc'ed Leon & suggested it be raised on Wednesday. I discovered over the weekend that there was a pothole tracking application that can be used to identify and record the location of potholes on the roads. It was developed in the United States. It might be helpful for councils in identifying and recording the location of potholes so that they can be eventually repaired, preventing drivers from inadvertently damaging their tyres and wheel axles and further preventing unnecessary alignment damage to their vehicles. Further investigation should be undertaken to see if this phone application can be used for the benefit of Local Councils and State government departments (Minister for NSW Roads). <b>Recommend we ask Council re same.</b>
35	a b c	<b>WAIROA &amp; BLAIR ST (24/4)</b> Roxy has advised: Safety with the bicycle riders from the MILK RUN, and the buses. I see the staff speeding around on their bikes and I am expecting there will be an accident soon either. Other than that, local roads seem to have the usual pot holes.
36	a b c d	<b>BROKEN PIPE IN SEA WALL</b> Have written to Council (20/4) re pipe from the shower on the Promenade in front of Bondi SBLSC This is unsightly & third worldish, as well as a health hazard (young children play in it, when it pools) I believe this has occurred a couple of times & it relates to the pipe not being placed deeper into the ground. Council have acknowledged (26/4) & advised placed on MER IT (Ref No.2167301).
37	a	<b>ALLEGRA SPENDER ( / )</b> Political advertisement.
38	a b	<b>LIVE MEETING</b> I had proposed to hold the April meeting live, however, I recently came down with COVID, as did a lot of people around me & felt more comfortable going back to Zoom. At this point in time, we will hold a live meeting in June & it will include the AGM.

### **North Bondi Precinct Committee Traffic Officers Report**

There are a few pot hole that have reappeared because of the rain –

- Wellington street corner Curlewis street
- Warners corner Military road
- West bound side of Blair at the pedestrian crossing outside St Ann's has been repaired but is very uneven, please redo.

Other than these pot holes I suggest Council erects a notice on the North Bondi ocean pool advising when the repairs will be undertaken and completed.
