May 2025	<p><b>Motion:</b> Bronte Precinct request Waverley Council monitor illegal parking and the received snapsend-solve reports for the no stopping zones on Murray and Alfred Streets, and the corners of Belgrave Lane.</p> <p>That Council place an immobile planter box on the no stopping areas of exit to Belgrave Lane, Murray St and Alfred St to prevent recurrent illegal parking.</p> <p>That council monitor with ranger presence the double parking on Belgrave St to stop at the shops from Murray St both ways.</p>	<p>The Executive Manager of Compliance has advised that any snap-send-solve reports are attended to as they are received. Arrangements have also been made for the Parking officers to patrol the streets listed, which should discourage illegal parking.</p> <p>Council's Manager of Integrated Transport advised that Council limits the use of planter boxes or similar to commercial areas, owing to their ongoing maintenance and operational needs. As well, they often provide multiple function in commercial areas, including traffic calming and urban design enhancements. As such, they are not typically supported for the location as proposed.</p>	Assets and Operations / Planning Sustainability and Compliance	Complete
