7 November 2022	<p><b>Motion 1</b></p> <p>Bondi Beach Precinct requests that funding for the skate park toilets be included in the 2023/2024 budget. Bondi Beach Precinct reminds Council and Councillors that these toilets were supposed to be completed before the opening of the refurbished Bondi Pavilion to compensate for its reduced number of toilets. It is also noted that the temporary toilets behind the Bondi Surf Bathers Club are deteriorating.</p>	As previously advised to the Precinct Convenor in December 2022, the Director of Assets & Operations has said that she will include it in the draft Capital Works Plan / updated LTFP for 23/24 for Council consideration.
