

The world at your fingertips

A guide to Waverley Library's Online Databases

At the Library: Ask one of our staff members to help you get online, either at one of our Library computers or using your own laptop, and then browse through the databases to find what you need.

At home: Simply visit www.waverley.nsw.gov.au/library and click on the 'I want to...search databases' link. Most of our databases can be accessed from home using your Library membership number and at no charge to you.

Did you know Waverley Library customers have free access to a range of amazing subscription-only databases, many of which can also be accessed from home using your Library membership details?

See over for a full list of all databases.
