**Coastal Reserves Plan of  
Management (PoM) Visitation  
Survey**

Our coastal reserves are unique and iconic, and we need to plan for their sustainable use.

Waverley Council is developing an updated Coastal Reserves Plan of Management (PoM) that will encompass 13 Reserves and Parks along the seaside.

We need your help to create an updated PoM that reflects how the parks are used today and how we would like to use them in the future.

Join us at this Precinct meeting to discuss or visit
