

# Friends Of Waverley Library

## WHO ARE THE FRIENDS?

FOWL is a non-profit organisation founded in 1993. Our members come from all walks of life. Some are new to the area and some have been here for years... but they all have one thing in common: They love the Waverley Library and are enthusiastic about serving the community by supporting the services and facilities of the library.

## WHAT DO THE FRIENDS DO?

About 15 years ago our library, which is one of Sydney's biggest municipal libraries, opened its doors, thanks to FOWL actively lobbying Council for a purpose-built library.

FOWL contributes generously to 'The Nib' Waverley Library Award for Literature. They hold regular book sales, host concerts, author talks, special members-only events and contributes to the Waverley Library's school holiday program. The Friends also have their very own bookclub which meets monthly.

FOWL is constantly planning new initiatives and community projects to support the Waverley Library. Why not join today?
