ACTION ITEMS AND REQUESTS:

TEMPORARY FENCING AT BONDI ROAD CALTEX SITE:

REQUEST TO COUNCIL [202102#01] The Bondi Heights Precinct expresses concern over the state of the temporary construction/demolition fencing and shade cloth at the old Caltex site on the corner of Bondi Road and Park Parade. Sections of the shade cloth have come loose and is causing obstruction in the public space (footpaths). The shade cloth has also been heavily graffitied and is making the area look very slummy.

Could Council please take appropriate action to have the situation rectified?

WAVERLEY PARK PLAYGROUND:

REQUEST TO COUNCIL [202104#02] The Bondi Heights Precinct requests Council provide a status update on upgrades to the Waverley Park playground and when those upgrades are expected to be completed.
