Policy summary

This policy takes effect 1 July 2018 and enables the reasonable and appropriate reimbursement of expenses and provision of facilities to Councillors to help them undertake their civic duties. It ensures accountability and transparency, and seeks to align Councillor expenses and facilities with community expectations. Councillors must not obtain private or political benefit from any expense or facility provided under this policy.

The policy has been prepared in accordance with the *Local Government Act 1993* (the Act) and *Local Government (General) Regulation 2005* (the Regulation), and complies with the Office of Local Government's Guidelines for the payment of expenses and provision of facilities to Mayors and Councillors in NSW.

The policy sets out the maximum amounts Council will pay for specific expenses and facilities. Expenses not explicitly addressed in this policy will not be paid or reimbursed.

The main expenses and facilities are summarised in the table below. All monetary amounts are exclusive of GST. Unexpended monetary amounts do not carry over unless otherwise specified in this policy. Where the frequency of the expense or facility is specified 'per term', this equates to a four-year term. Any unforeseen changes to the term would result in a pro rata allocation.

Councillors must provide claims for reimbursement within six months of an expense being incurred. Claims made after this time cannot be approved.

Detailed reports on the provision of expenses and facilities to Councillors will be publicly tabled at a Council meeting every six months and published in full on Council's website. These reports will include expenditure summarised by individual Councillor and as a total for all Councillors.

Part A – Introduction

1. Introduction

- 1.1. The provision of expenses and facilities enables Councillors to fulfil their civic duties as the elected representatives of Waverley Council.
- 1.2. The community is entitled to know the extent of expenses paid to Councillors, as well as the facilities provided.
- 1.3. The purpose of this policy is to clearly state the facilities and support that are available to Councillors to assist them in fulfilling their civic duties.
- 1.4. Council staff are empowered to question or refuse a request for payment from a Councillor when it does not accord with this policy.
- 1.5. Expenses and facilities provided by this policy are in addition to fees paid to Councillors. The minimum and maximum fees a Council may pay each Councillor are set by the Local Government Remuneration Tribunal as per section 241 of the Act and reviewed annually. Council must adopt its annual fees within this set range.

2. Policy objectives

- 2.1. The objectives of this policy are to:
 - enable the reasonable and appropriate reimbursement of expenses incurred by Councillors while undertaking their civic duties
 - enable facilities of a reasonable and appropriate standard to be provided to Councillors to support them in undertaking their civic duties
 - ensure accountability and transparency in reimbursement of expenses and provision of facilities to Councillors
 - ensure facilities and expenses provided to Councillors meet community expectations
 - support a diversity of representation
 - fulfil the Council's statutory responsibilities.

3. Principles

- 3.1. Council commits to the following principles:
 - Proper conduct: Councillors and staff acting lawfully and honestly, exercising care and diligence in carrying out their functions
 - Reasonable expenses: providing for Councillors to be reimbursed for expenses reasonably incurred as part of their role as Councillor
 - Participation and access: enabling people from diverse backgrounds, underrepresented groups, those in carer roles and those with special needs to serve as a Councillor
 - Equity: there must be equitable access to expenses and facilities for all Councillors
 - Appropriate use of resources: providing clear direction on the appropriate use of Council resources in accordance with legal requirements and community expectations
 - Accountability and transparency: clearly stating and reporting on the expenses and facilities provided to Councillors.

4. Private or political benefit

- 4.1. Councillors must not obtain or seek to obtain private or political benefit from any expense or facility provided under this policy.
- 4.2. Private use of Council equipment and facilities by Councillors may occur from time to time. For example, telephoning home to advise that a Council meeting will run later than expected.
- 4.3. Such incidental private use does not require a compensatory payment back to Council.
- 4.4. Councillors should avoid obtaining any greater private benefit from Council than an incidental benefit. Where there are unavoidable circumstances and more substantial private use of Council facilities does occur, Councillors must reimburse the Council.
- 4.5. Campaigns for re-election are considered to be a political benefit. The following are examples of what is considered to be a political interest during a re-election campaign:
 - production of election material
 - use of Council resources and equipment for campaigning
 - use of official Council letterhead, publications, websites or services for political benefit
 - fundraising activities of political parties or individuals, including political fundraising events.
