STEP5 EXPLORE TOPICS

Select up to three topics on the home page to help you discover modules that best fit your interests and needs. These include content around Planning, Learning Environment, Instructional Strategies and more.

STEP6 PATHWAYS

Take your online learning to the next level using a Pathway, which groups individual, but related modules together to make up a larger concept. Click on 'Pathways' in the top navigation bar which takes you to the Pathways home page; you can filter and find a Pathway that is relevant to you.

ACCOMPLISHMENTS

After completing a full module or pathway, and all aspects of the Learning Framework, you can see your hard work shown on your accomplishments page. You are able to print, email or share your certificates, transcripts or badges right from there if needed.
