22	<b>BRONZE STATUE @ BONDI BEACH OF SURFING WORLD FEMALE CHAMPION – PAULINE MENCZER</b> I was asked (22/3) by Dominic as to my views on the above & advised I would support the statue.
23	<b>VAUCLUSE PRECINCT</b> I received a number of enquiries from Ericka (past Chairman) re distribution of fliers & meeting procedure with the Convenor leaving the area & no longer having a connection to the area. I responded & cc'ed Mary in. We disagree on dealing with a casual vacancy in this Covid environment. I would hold an election under certain conditions.
24	<b>VOLLYBALL ON BONDI BEACH</b> At a recent Combined Precinct meeting, I made the observation that the courts seem to be growing, with up to nine. I indicated when the matter was first raised NBPC was in favour of courts on the beach, but I believe there are now too many I subsequently went to a Zoom meeting & expressed the same view. Tama has four courts & they virtually cover the whole beach, which I consider to be outrageous. I completed the survey (6/4) Recommend we revisit the position we previously held.
25	<b>PEDESTRIAN REFUGE ON MILITARY RD</b> I followed up with Council & was advised they were not aware the resident & NBPC required action on. I indicated it was my understanding the resident was taking the matter up with Council & we the Precinct were supporting it. Mary will refer it to the appropriate area for review.
