

Parking Permit Condition of Use

Waverley Council offer parking permits to eligible residents who reside within the Residential Parking Scheme (RPS). To check eligibility visit waverley.nsw.gov.au/residents/parking/permits or contact us by online chat or at 9083 8000. Council also offers a Beach Parking Scheme that allows residents and non-residents unlimited parking in Queen Elizabeth Drive & Park Drive (Bondi Beach) and Bronte Cutting (Bronte). Parking permits provide greater opportunity to park in some of Waverley's busiest areas, however it does not guarantee the availability of a parking space to the holder.

ELIGIBILITY

- To be eligible for a permit the applicant must be a resident and reside within a Waverley Council Residential Parking Scheme. They can only apply for a permit for the property where they live (excluding Beach permits).
