

WAVERLEY COUNCIL SMALL GRANTS

Creative Streets Grant

GUIDELINES

Goals

Waverley Council offers one small grant a year to support a community initiative that improves a Waverley streetscape. The Project must make a positive contribution to a public space in line with Waverley's Community Strategic Plan, utilising Waverley's Urban Intervention Framework. The Urban Intervention Framework encourages 'short term action for long term change'. It recognises that small changes can have a big impact on our streets and communities.

The goals in Waverley's Community Strategic Plan, include:

- Preserve and interpret the unique cultural heritage of Waverley
- Nurture a safe, well-connected community that embraces challenges and has the resilience to adapt to change
- Improve health and quality of life through a range of recreational opportunities
- Build and maintain streetscapes that have a welcoming sense of place.

The objectives of Urban Interventions are to:

- Inspire action to deliver respected and valued spaces
- Raise awareness of our environment
- Encourage participation and engagement
- Promote understanding of the local area
- Build networks and partnerships
- Gather data on our spaces and how they are used
- Test ideas for improvements.
