

# Getting started with digital titles from your library

Waverley  
Library

On tablets, smartphones and Chromebooks

## Step 1

Install the Libby app from your device's app store. Libby is available for Android, iOS, Windows 10, and some Chromebooks.

- Apple App Store
- Google Play
- Windows Store

(Windows 10 +)

## Step 2

In  Libby, follow the prompts to find your library and sign in with a valid library card.

## Step 3

Browse your library's collection and borrow a title.

## Step 4

Borrowed titles appear on your **Shelf** and download to the app automatically when you're connected to Wi-Fi, so you can read them when you're offline.

## In the footer

- Tap **Library** to open the library collection you were most recently browsing.
- Tap the **title circle** to open the loan or sample you were most recently reading.
- Tap **Shelf** to open your loans, holds, tags, and activity for all your libraries.

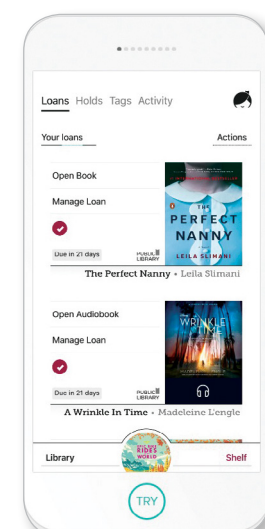

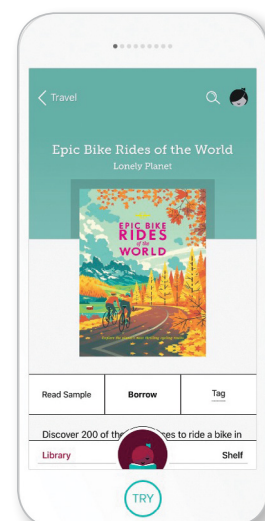

## Borrowing

You can have 5 loans and holds at a time.

To see your loan and hold limits, go to  See *Library Cards*.

## Changing your loan period

After you tap **Borrow**, tap the underlined loan period on the confirmation page to **7**, **14** or **21** days. Then, select a new loan period for that title.
