

# OUR PURPOSE AND VALUES

## PURPOSE

“We are the guardians of our place and our people”

---

## VALUES

We work **TOGETHER** and with our community - in our teams and across Council, no silos; building collaborative partnerships

We **CARE** and demonstrate **RESPECT** – in our work and in our dealings with others, we take ownership for things, engaging and listening

We strive for **EXCELLENCE** – to do the right job and to improve and innovate

We **DO WHAT WE SAY WE WILL** – we honour our commitments and we are accountable

---

**Our Community Vision can be found in the Waverley Community Strategic Plan.**
