Waverley Council Response Report to Motions from February 2021 South Bondi Tamarama Precinct meeting				
Meeting Date	**Motion**	**Council Officer Response**	**Directorate**	**Status**
24 February 2021	Council to investigate the proposal to create an Art and Photographical exhibition that responds to the Corona Virus pandemic that has impacted our nation, with focus of the exhibition on inspiring our community and youth to take part or enrol in outdoor mental health and well-being programs.	This request was forwarded to Council's Curator & Visual Arts Coordinator who is happy to discuss this request further and possible funding options the Precinct may choose to pursue for this project. Liz Reidy can be contacted on Elizabeth.Reidy@waverley.nsw.gov.au Liz has also provided the following information: Council has been working with Bondi Surf Club for their Club Life Photo comp that launches this Friday 28 May – the focus is very much about the framework outlined by the South Bondi Tamarama Precinct. At present Council are about to partner with Head On photography festival for another outdoor photography exhibition and festival in November. They're running a pretty big photo comp for adults and another for children as well. We've also got our youth art prize opening next week and installing now, which we run for the youth in the area as well.	Customer Service and Organisational Improvement	Action in progress
24 February 2021	It was reported that a resident sharing a fence with council lane ways at Jackaman and Watson street was seeking clarification if Council was responsible with the upkeep of these fences.	Any boundary fence that abuts a public road, drainage reserve or recreational reserve, i.e. public land is solely the responsibility of the adjoining property owner to maintain and replace fencing. This is covered under the Dividing Fences Act where Councils are an exempt entity in relation to responsibility and cost of ownership and maintenance of dividing fences.	Community, Assets and Operations	Finalised
