5 week Wheel Throwing Intensive with Leanne Berelowitz

Student Information sheet

This 5 week STEP-BY-STEP wheel throwing foundational course, aimed at beginners or students wishing to consolidate their skills. The class will follow a formal structure where students are guided through all early stages of wheel work, and will focus on process and technique for throwing a cylinder and a bowl.

Output will not be the goal, but gaining confidence and proficiency in throwing.

The class will be very small with a 5:1 student teacher ratio allowing for personalised direction to be given to each student. As a bonus, you will be entitled to select one small and well thrown piece to be fired and glazed on completion of the course.

Please choose the course carefully as all fees are non-refundable and non-transferable once the course has begun. We regret that the Bondi Pavilion cannot accept responsibility for changes in students’ work commitments or personal circumstances. Classes missed are the students’ responsibility and no refunds or credits can be given for missed classes. If you are unable to complete a term please notify your tutor.
It is not possible to make up missed classes. This rule is final and not negotiable.
CANCELLATIONS
Minimum numbers must be reached for classes to run. In an exception to our normal policy a full refund or offer of a transfer will be made available to you should it be necessary to cancel a class term.

FIRINGS
Re-firings will be limited and left to the teacher’s discretion. Unfortunately, work made outside of the Bondi Pavilion pottery classes cannot be fired. Please check with the tutor or Pavilion staff regarding this before enrolling.

MATERIALS
Students enrolling in adult classes will need to purchase their own clay upon enrolment. Basic glazes will be provided. Please note as a subsidised community class choice of materials and resources are limited and may vary across the term and some lines may become unavailable. We ask that where possible students use care not to waste materials to assist in maintaining adequate materials for the duration of the term. Special glazes will need to be purchased by the students themselves. However in the case of bringing in external glazes please discuss the suitability of these glazes with your tutor. You must provide your own apron.

COLLECTION OF WORKS
Students are advised to work to complete their pieces in time for the end of a term. Access cannot be given to the studio to finish off works after the term ends. There is no guarantee of a position in the following term to complete your work. Storage in the Pavilion Pottery is limited. Works not collected within a month will be recycled.

CONCESSIONS
Pension card holders registered with the CES as unemployed are entitled to pay the lower fee for the Subsidised Classes. To claim the concession, a pensioner's health care card or proof of unemployment must accompany the application for enrolment.

PUBLIC HOLIDAYS
The Bondi Pavilion Pottery Studio is closed on public holidays. If one of your classes falls on a public holiday it will not be conducted on that day. Term fees will be reduced to reflect the missed classes.

STUDENTS/VISITORS
For risk and safety reasons and in consideration of your tutor and fellow students we ask that you do not invite relatives or friends to your class. STUDENT NEEDS
If students have special needs (physical/ cognitive) please advise office staff on enrolment.

GENERAL BEHAVIOUR
We ask that you act in a way that respects the rights of other people, including staff and tutors. Tutors are there to assist you in your chosen activity. Bondi Pavilion Cultural Services Office reserves the indisputable right to make such a decision.
