Council to trial public forum before Council meetings

Waverley Council is currently trialling a public forum before each Council meeting. This is your opportunity to address Council, in an informal setting, on matters of public importance that are not listed on the Council meeting agenda.

The public forum will be held from 6.30–6.45 pm, before each Council meeting at Waverley Council Chambers. All members of the public are welcome to attend.

To speak at a public forum, you must register the day before. Places are limited. In addition to speaking at a public forum, you can still address Council on items on the meeting agenda. The trial of public forums will last until the end of 2019.

For more information, or to register to speak at a public forum, please visit www.waverley.nsw.gov.au/council/council_meetings or call 9083 8000.
