

Waverley's FOGO Trial Journey

Waverley's FOGO trial started with **1800** households in October '24

213 completed surveys
27 in-person info stalls

Expanded August '25 by 1450, now at **3250** total households

// Is the service centre open on weekends? It makes it difficult to collect them through the week. //

-Bondi resident

// Most importantly we LOVE our FOGO bin. It has made us much more aware of food waste. //

-Rose Bay resident

// The bicarb worked a treat in the warmer months, and the flies were banished. //

-Bronte resident

The FOGO team received 100s of emails and responded by

- ▶ Giving out liners from Bondi Pavillion (open on weekends!)
- ▶ Promoting pest-control advice
- ▶ Using common questions to create online FAQs

The trial diverted **328** tonnes of FOGO material from landfill =

131 tonnes of CO₂ reduced

NEXT STEPS resident feedback and trial outcomes are being used to plan Waverley's FOGO rollout in 2027
