DON'T BE A VICTIM!

- CRIME PREVENTION PRESENTATION -

There has been an increasing trend in mail theft - a well known 'enabler' to identity-related fraud and other deception offences. Waverley residents, especially those in multi dwelling apartment blocks, are most at risk so need to be vigilant.

To find out about effective crime prevention strategies that will protect **YOU**, come along to a special presentation by Waverley Council, our Local Area Command & the Fraud & Cybercrime Squad NSW Police Force and learn how you can make it harder for fraudsters to succeed.

WHEN: Thursday February 26, 2015

TIME: 6pm – 8pm

VENUE: Waverley Library Theatre (light refreshments provided)

Denison St, Bondi Junction

RSVP: Council's Community Safety Officer
