About this form:

Council recommends applicants proposing new major developments (other than dwelling houses) undertake a Pre Development Application (Pre DA) process before lodging a development application. Although Pre DA's are not mandatory, consultation early in the design process may identify issues, saving applicants' time and money.

Council will assess the information provided, conduct a site inspection and meet with the applicant (if necessary) and provide advice by way of a letter, identifying any relevant issues to be addressed. The Pre DA advice will assist in the preparation of a development application. The advice in no way fetters the discretion of Council in the assessment and determination of any future application for the site. In particular, other issues not identified in the advice may emerge during public consultation, specialist review and consideration of a complete application.

Should you require further assistance please contact visit Council's website:

DISCLAIMER

A review of the proposed scheme will be undertaken by the assessment officer including the Development Building Unit. The advice provided is proffered to assist you in formalising a development proposal for this site. It is expected that the issues identified will be addressed in the lodgement of any future development application to Council. The Pre DA advice is intended as a guide only and in no way fetters the discretion of Council in the assessment and determination of any future development application/s for the site. Other issues may arise which were not identified in this advice due to public consultation, draft environmental planning instruments, plans, policies or codes, specialist review and consideration of a complete development application.

Any future Development Application for this site, may be determined by Council staff under delegation or by the Waverley Development Assessment Panel (WDAP) or the Joint Regional Planning Panel should the proposal constitute regionally significant development. For a list of documentation to be submitted with any Development Application, please refer to Part A3 of the Waverley Development Control Plan 2012.

This advice does not represent the view of the elected Council.

The results, conclusions and recommendations made in this advice should be reviewed separately by an experienced and competent person with experience in development applications and planning before being relied on or used.

I have read and understood the provisions set out above.
