FUNDING THE FUTURE

HAVE YOUR SAY about how to fund
Waverley Council services to 2022

Waverley Council is about to make an important decision about how we fund future Council services.

Council currently delivers 148 services. At least 40 of these didn't exist at all 12 years ago and 76 have significantly expanded to meet community needs.

We are considering a range of options to fund these and enhanced services to 2022 and are seeking your input about the preferred way for us to do this.

Consultation is open until 31 October. We urge you to:

Visit www.waverley.nsw.gov.au for more information.

Have your say at www.haveyoursaywaverley.com.au or email haveyoursay@waverley.nsw.gov.au with your comments and queries.
