Being able to organise a parking
permit or a clean-up collection
online is becoming a reality

We are excited to share that we are working on
a new Online Services platform which will make
it easy for you to renew and apply for parking
permits. You will also be able to book a clean-up
collection via the online booking system! It's just
another way that Waverley Council is making
services more convenient for you.

WORKING TOGETHER TO HELP OUR ENVIRONMENT

Council is committed to making sustainability
second nature and achieving net zero carbon
emissions by 2030 for our organisation and 2035
for our community. In the 2022/23 Financial Year,
Waverley Council planted 390 trees to help cool our
urban spaces and increase vital wildlife corridors.
