The marking of lines on the road to delineate a driveway is a guide for drivers. If a car is parked partly into the driveway the driver would be infringed under *NSW Road Rule 198 (2) – Stop on/across driveway/other access to/from land*.

**Note:** Should the lines fade you are responsible for the remarking of the new lines. This will entail a new application for Driveway Linemarking to be completed and payment made.

**Payment** can be made by credit card over the telephone (0.8% surcharge applies to credit card payments – Master, Visa and American Express accepted). All charges are in accordance with Waverley Council Schedule Fees & Charges for the 2024/2025 financial year.

I declare the above information is true and correct and agree to Waverley Council linemarking the road to indicate the driveway to my property as stated above.
