

# Site Waste And Recycling Management Plan (SWRMP) Part 2 - Construction and Demolition

Made under: Waverley Development Control Plan (WDCP) 2012 – Part B1 Waste

## OFFICE USE

Application No.: DA

Date Recieved

## TO BE SUBMITTED WITH YOUR CONSTRUCTION CERTIFICATE APPLICATION

**This form must be completed in accordance with Waverley DCP 2012 and submitted to the Principal Certifying Authority for approval.**

This form is part 2 of your Site Waste and Recycling Management Plan (SWRMP) and will be assessed against the provisions of WDCP 2012 – Part B1, section 1.1 Demolition and Construction Annexure.

Part B1, section 1.1 Demolition and Construction and Annexure B1 – 1 will assist in the completion of this form.

It will assist you in identifying the type and quantity of waste likely to be generated and how this can be minimised. It will also advise Council of how you intend to reuse, recycle or dispose of the waste during construction.

**Note: You must retain copies of construction and demolition waste receipt dockets on site at all times to verify which facility received the material for recycling or disposal.**

Please ensure you submit all relevant information and answer all questions. Mark 'N/A' where a question is not relevant.

Should you require assistance please contact Council's Customer Service centre on 9083 8000.

## Part 1: Description of Proposal

Property number

Street name

Suburb

Site Description including current structures on the site

Proposal Description

## Part 4: Checklist

Please complete the following checklist.

***If you do not mark the following items on your plans you may be called upon to re-submit this SWRMP.***

I acknowledge the following requirements for demolition and construction

	YES	NO	N/A
All waste must be stored within the confines of the property boundary	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
A permit is required to store waste and recycling storage containers or skips in a public area only where there is no storage available within the property boundary – see Annexure B1-7 of Waverley Development Control Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Plans must be marked with onsite storage areas and access routes for waste collection vehicles	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
All measures have been taken to ensure there is no impact to the applicable legislation including the Protection of the Environment Operations Act 1997 (POEO Act)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

## Privacy Policy

The information requested in this form is required under WDCP 2012 – Part B1 and will be used in connection with the requirements of the Plan. The information will be available to Councillors, Council Officers and members of the public as required by the Act. Please advise Council if any information you have provided either changes or is incorrect or if you require your address to be withheld for personal or family safety.

## Part 5: Submit your SWRM Part 2 Form

The SWRMP Part 2 is required to be submitted after a DA is approved and prior to the issue of a construction certificate.
