Frequently Asked Questions

Am I entitled to purchase Daily Visitor Permits?

If you are a resident of a Residential Parking Scheme (RPS) area you may be entitled to purchase Daily Visitor Permits. Please call Customer Service on 9083 8000 or email parkingadmin@waverley.nsw.gov.au to enquire about your property. Please also refer to the table below to check the permit allocation for your RPS area.

How do I apply for Daily Visitor Permits?

Submit a completed application form along with two forms of proof of address to the Customer Service Centre at 55 Spring St, Bondi Junction, between 8:30am to 5pm Monday to Friday and 7pm on Thursday. You may also email these documents to parkingadmin@waverley.nsw.gov.au and staff can call for a credit card payment.

How many Daily Visitor Permits am I entitled to?

Permits come in bundles of 10. The amount of permits available for eligible residents per calendar year is dependent on the RPS area. A non-strata residence may be permitted to purchase one bundle if located in an eligible RPS area.

Why are some areas allocated more permits than others?

Council looks at the number of residential permits already sold versus the number of residential parking spaces in each area.

Priority is given to resident parking and the allocation of visitor parking is based on the capacity for parking in the Residential Parking Scheme (RPS) area. Where an RPS area is fully subscribed there may be no visitor permits currently available for purchase. This is reviewed annually at the start of the calendar year.

How do I use the Daily Visitor Permits?

Scratch the panels on the permit for the year, month and day of use. The permit is only valid if one date has been clearly scratched off and it has been placed on the left-hand side of the front windscreen (away from any tinted area).

Can I purchase more than one bundle at the same time?

Eligible residents may purchase their maximum entitlement of permits in one transaction, however, no further permits will be available in the calendar year.

Where can the Daily Visitor Permits be used?

Permits can be used where the signs state 'PERMIT HOLDERS EXCEPTED', in the areas that

match the Area number on the front of the permit.

Daily Visitor Permits cannot be used in the Bronte Cutting car park (Bronte) or the Queen Elizabeth Drive, Park Drive North and Park Drive South car parks (Bondi).

How long do the permits last?

Daily Visitor Permits are valid for the date which has been scratched however, for your convenience, they remain valid until 9am the following day.

Permits are valid for the year/s printed on the permit. Expired permits should not be used and cannot be refunded or exchanged.

What other parking permits can I purchase?

If you are a resident of a Residential Parking Scheme (RPS) area you may be entitled to purchase other parking permits that will allow unrestricted parking where signs say '**Permit Holders Excepted**' together with the **Area** to which their permit applies.
