The Precinct system  
is a means of communication  
between residents and Council.

You can have your say, chat with  
your Ward Councillors who usually  
attend these meetings or bring any  
questions you want to ask. This is  
your opportunity as residents to  
ask them questions.

**Free native plants are  
available to Waverley  
residents to help create  
sustainable gardens,  
that provide habitat,  
are drought resistant,  
help cool your space  
and look good too!**

If your garden is suitable  
get you may qualify for a  
garden visit with a  
horticulturist and habitat  
expert to help select  
plants and provide  
planting advice.
